Bring home the magic of Gemini

When no one is home on weekday mornings, turn off all lights

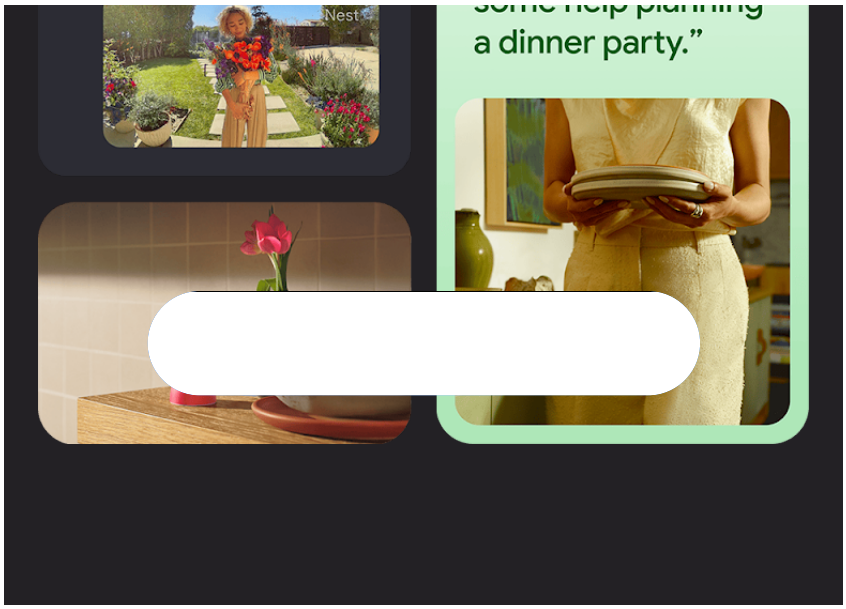
Make it seem like someone's home

Save energy while I'm at work

Alex holding flowers

Front door

"Hey Google, I need some help planning



a dinner party.”

Thousands of devices. Endless

possibilities.

With seamless compatibility, easy setup, and control from a single app; Google Home brings together all of your favorite smart devices from Google, Works with Google Home partner brands, and Matter.

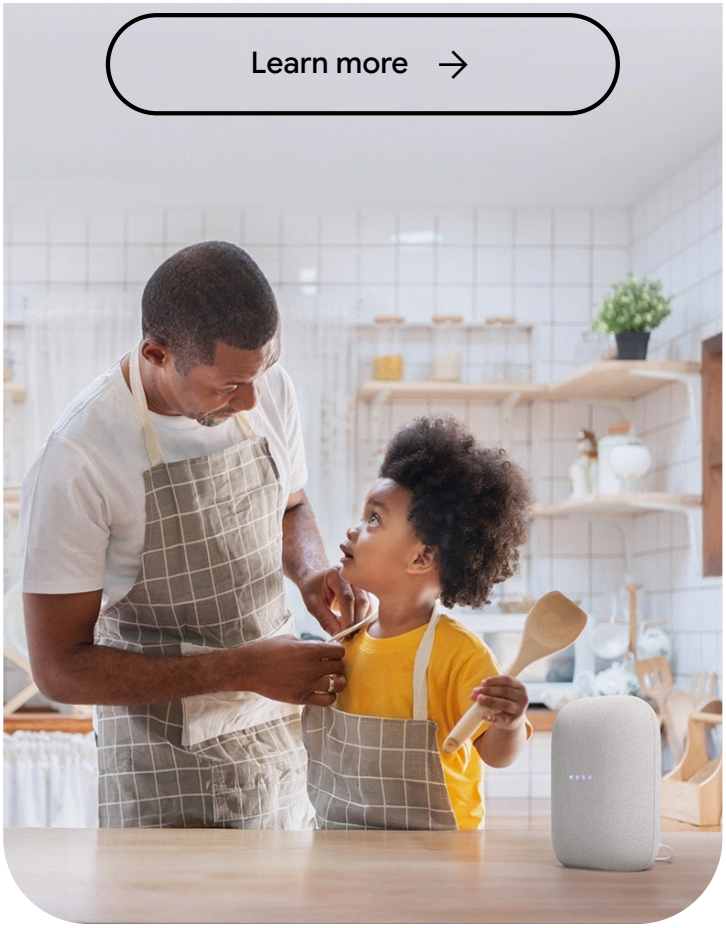
Google Home Fall 2025 update

The new Google Home, built around you



See all

[1] Home Automations require additional enrollment and setup, and depend on working internet, Wi-Fi and service availability from Google and third parties that manufacture devices included in the Automations.

[2] Some features, including mobile and browser notifications, remote control, video streaming and video recording, require working internet and Wi-Fi.

[3] Google TV Streamer (4K) requires a TV with an HDMI port, HDMI 2.1 cable, a Wi-Fi network, a Google Account, a nearby electrical outlet, and a compatible mobile device. Minimum OS requirements are available at g.co/cast/req.

[4] Requires compatible smart devices.
